Black bean sauce base with a hint of chili pepper sauce.
Served with udon noodle.

What is Tteok-bokki?

Tteok-bokki is a beloved Korean street food featuring rice cakes shaped like thick noodles, cut into bite-sized pieces. The traditional version is renowned for its fiery sauce made from chili paste and/or chili powder, delivering a delightful kick. However, many variations of tteok-bokki venture beyond tradition, incorporating diverse sauce bases and unique ingredients.
